Полтава, Україна

Our company is looking for freelance writers (part-time/full-time).

Key responsibilities:

Working as a freelance writer, you will be required to create original and exceptional writings in English language based on accurate sources for a great number of students. There is a vast variety of orders that can be chosen from a database; thus, you will be able to concentrate on the topics of your preference. However, you are expected to comply with the customer's requirements.

Required skills:

Proficiency in English language (grammar, lexics, stylistics);
Highly motivated and deadline-driven person;
Ability to follow requirements and provide quality work;
Ability to successfully complete the initial training program;
Freelance experience (plus);
Work abroad experience (plus);
Translator's experience (plus).

We provide:

Guaranteed payments for the good and quality work;
Remote work possibility disregarding age, sex, location, and education;
Initial training and training materials;
Round the clock support;
Talent management;
Wide variety of orders;
Payments for the actual work done (no earnings limits, no registration fees).

Please apply for the position online by clicking the 'Sign up' button on 4writers.net page. Your application will be reviewed after successful registration and passing the online English assessment test.
